Additional Comments include discription of condition:

Novurania MX 530 DL 18' will serve as an excellent yacht tender or multi-purpose utility boat. The boat is in VERY GOOD condition with new tubes and upholstery replaced in winter of 2002. Since then the boat has been moderately used and serviced regularly. Always kept in heated/indoor storage washed down regularly after each use before being put away. This Novurania 18' is powered by a Yamaha 130, fast boat runs very well. Note: This boat is equipped with a full instrumentation package, battery switch and fresh water tank and wash down/shower system.
