Additional Comments include discription of condition:

This Achilles upholds the Achilles tradition of never dying. Boat is in good condition, just needs a bit of care. This model is no longer available, if it were the available retail price would be around \$ 1700.00. The primary SPD feature on the boat is the fiberglass transom, the marine plywood floor needs treating. We will be cleaning up this unit as time allows which will increase the price. This Clean up will be worth around \$150.00. and is something you can easily do. So don't wait for us to
