Additional Comments include discription of condition:

This boat has been used very hard and shows it, hence the low price. You may not think its low, but current retail is \$3,775, selling new for \$3,300 - \$3,500 depending on model year. If this unit was in very good condition it would sell for \$2,200- 2,500. the patches are covering worn areas they are not holes or punctures
