Outboard (Motor) Information

Make: Model: Year: 2 or 4 stroke

List of Accessories included:

Additional Comments include discription of condition:

This unit has seen reasonable usage for its age, though was roller over and went underwater. Basic efforts have been used to save the engine and it does run, so with a little more care and work some can have a very good engine at a very good price. Current retail is over \$7,000.00 - engine is being sold as is. A new control box and the back piece of the enaigine cowlina will be provided with the engine. +
